

The Electric League of Missouri and Kansas is an active, growing organization that works for you. Founded in 1912 as a forum for industry cooperation, The Electric League has expanded its focus to meet the diverse needs of our members.

As an active member, you benefit in many ways:

- Learn concepts and techniques to make your company more successful.
- Speakers at bi-monthly member lunches bring you up-to-date on relevant industry issues and events.
- Classes and seminars help you expand your technical and business expertise to grow professionally and personally.
- At the triennial trade show, you'll rub shoulders with hundreds of industry leaders and see new and innovative products and services. Make new business contacts and renew acquaintances.
- You'll be in-the-know when you read the Electric League News with the most up-to-date reports and industry information.
- You'll be listed on the Electric League web site, www.electricleague.org. Member companies gain extra exposure with the free hyperlink to their web sites.
- Make your voice heard in the halls of government. The legislative committee works with lobbyists to help protect your business interests on the local, state and federal levels.
- The Federated Insurance Group provides outstanding rates and service.
- Members work together on community service projects to give back and elevate our industry image.
- Active committees enable members to work together on specific projects and activities: education, safety, golf, legislative and more. There's a place for you at the League.
- The Electric League Foundation gives you the opportunity to give back to your industry and community through tax-deductible contributions to scholarships and other worthwhile projects.
