Mark Your Calendar - Motivational Program, October 17

Wednesday, October 17

Brio on the Country Club Plaza, 2nd Floor event space
11 a.m. - Registration and Meet and Greet with KC Wolf
11:30 a.m. - 1 p.m. - Lunch and program

On November 23, 2013, Dan Meers came within inches of losing his life while practicing a bungee jump and zip line stunt at Arrowhead Stadium ... home of the Kansas City Chiefs. What Dan anticipated being the thrill of a lifetime ended up being the spill of a lifetime. The stunt went terribly wrong and Dan plummeted 75 feet before crashing into the stadium seats. Miraculously Dan survived.

He spent nine days in the hospital and got some really big scars. Dan smiles when he says, "Scars are just Tattoos that come with a Cool Story." During this powerful presentation Dan shares his incredible story and the important lessons that he learned during his long road to recovery about leadership and about life.

Registration will be out shortly.

Plan now to attend to enhance your own personal and professional development and invite a friend to hear this inspirational and motivational program.

Has this individual helped advance the industry for many years in our area? Has this individual had a broad impact on the industry as a whole - not just on one segment?
