On November 23, 2013, Dan Meers came within inches of losing his life while practicing a bungee jump and zip line stunt at Arrowhead Stadium... home of the Kansas City Chiefs. What Dan anticipated being the thrill of a lifetime ended up being the spill of a lifetime. The stunt went terribly wrong and Dan plummeted 75 feet before crashing into the stadium seats. Miraculously Dan survived. He spent 9 days in the hospital and got some really big scars. Dan smiles when he says, "Scars are just Tattoos that come with a Cool Story". During this powerful presentation Dan shares his incredible story and the important lessons that he learned during his long road to recovery about leadership and about life.

**Dan Meers Mascot, Motivational Speaker, Author and Family Man.** Dan Meers has been KC Wolf, the mascot of the Kansas City Chiefs, for more than 25 years. In 2006 he was selected as the first NFL mascot inducted into the Mascot Hall of Fame. Dan travels throughout the United States and the world entertaining thousands of people both in and out of costume. His enthusiasm, optimism and love for life are contagious and make Dan an inspiration to all those he meets. Whether you're a Kansas City Chiefs fan or not, you'll enjoy Dan Meers as he shares his unique wit and wisdom about life.
