Doris Jean Barnds (Wife of Cam Barnds) January 4, 1934 – April 13, 2019

Doris Jean Barnds Doris Jean Barnds, 85, beloved wife, mother, aunt, grandmother, & great-grandmother, went home to be with the Lord on Saturday morning, April 13, 2019 at the James L West Alzheimer's Center in Fort Worth, Texas. Her family had kept vigil in the last days of her life and she departed peacefully from congestive heart failure. Visitation was Monday, April 29 from 5PM 7PM at Mt. Moriah, Newcomer & Freeman Funeral Home 10507 Holmes Road, Kansas City, MO 64131. A memorial celebration of Doris' life; followed by burial was held Tuesday, April 30 at 11AM at the funeral home. In lieu of flowers, the family respectfully suggests a charitable contribution in Doris' memory to the new foundation started by Paul Barnds and Shawn Sabin in support of Autism. An Educational Scholarship has been established in Doris' name. Donations can be sent to: Building Hope for Autism Foundation, P.O. Box 11649, Overland Park, KS 66207-4042.

This is the story of Doris Barnds; a wonderful, special woman that was loved, is missed and will always be cherished. Her story starts on January 4, 1934, the only

daughter, and second child to Jewel Bishop and Charles Lewis Green. She was born in Sedalia, Missouri at the family farm home. She would spend her childhood attending a small country school house where she would meet her lifelong friend Jane Grimm with whom she shared many adventures, secrets and wonderful memories. "Farm living" wasn't for mom; so after graduating from Smith Cotton High School in 1951 she was off to Drury College in Springfield, Missouri. As fate would have it, on a blind date in the spring of 1953 she met the love of her life, Cam Barnds. The following year, the young lovebirds were wed on May 30, 1954 at Trinity Lutheran Church in Sedalia. During the next eight years mom had her four "chicks", roughly two years apart. She was a very busy momma! To add to the mix in those early years, mom and dad moved from Milwaukee to Mission, KS; then Wichita, to Tulsa and at last to Overland Park. Mom loved being a mother and did it her way. Mom made holidays extra special and instilled many traditions we all share today. She was known for her immaculate home thus came the phrase "Doris clean" and when you came to the Barnds house you always removed your shoes at the door. I am not sure how she kept our crazy childhood schedules and activities straight without a smart phone or computer, but she did, always with grace and style.woman. She will be dearly missed and forever in all our hearts.

The new sponsorship program was introduced in March, and we're off to a great start!

This program allows our members to "Be Recognized" for their contributions toward chapter functions and advertisement; while budgeting for the entire year.

The purpose of this program is to enhance the recognition of members for their important participation and generous support of the Electric League of MO & KS; through their monetary contributions toward important league functions and advertisement through our communication media.

Our goals is to:

- 1) enrich member participation at all functions; Defray costs associated with functions;
- 2) streamline and forecast annual expenses sought for by The League;
- 3) optimize annual marketing dollars allotted the League; and
- 4) enhance support recognition through all means available.

Special Thanks to those companies that have committed to The League to date:
